2018	Liberia	<i>"Liberia Empowerment through Attendance, Reading, and Nutrition (LEARN) Program"</i>	IMPAQ International/USDA
<p>CART oversaw the implementation of the LEARN baseline second phase data collection in Grand Bassa, River Cess, River Gee and Grand Gedeh counties from September 6 to November 31, 2018. We hired 20 enumerators and 2 supervisors who completed the EGRA (Early Grade Reading Assessment) and student survey with 1360 second and six grade respondents within 11 days; using the KoBo collect digital data collection platform.</p>			
2018	Liberia	<i>Yes to Peace, Preventing Election Violence (YPPEV)</i>	International Growth Centre (IGC)
<p>CART oversaw the implementation of the <i>YPPEV</i> baseline and endline data collection in Montserrado from April 30, 2017 to February 28, 2018. We hired 14 enumerators and 1 supervisor who completed the survey and evaluation with 150 police officers and 300 political youth leaders using paper survey with subsequent data entry in an Excel data based.</p>			
2018	Liberia	<i>Liberia Cross Sectorial Youth Assessment (CYSA)</i>	Making Cents/USAID
<p>CART oversaw the data collection of the Cross Sectorial Youth Assessment (CSYA) project completing 41 Focus Group Discussions (FGDs) with 366 participants, and 53 Key Informant Interviews (KIIs) in Lofa, Bong, Nimba, Grand Bassa, Margibi and Montserrado Counties. We recorded and analyzed FGD and KII notes during the project period commencing October 8, 2018 to December 14, 2018.</p>			
2017	Liberia	<i>"Understanding the Protection and Prevention pillars of UNSCR 1325: Data collection on sexual violence in Liberia."</i>	Cornell University

CART oversaw the implementation of the ‘Understanding the Protection and Prevention pillars of UNSCR 1325: Data collection on sexual violence in Liberia project’ from March 2015 to December 2018. We collected Sexual and Gender Based survivors’ information from the five one stop centers in Monrovia on isurvey digital platform at the end of every month. We verified, validated, analysed and presented the result at a policy dialogue forum in Monrovia. We also conducted hands on training and workshops for Nurses and Social Workers to help improve their skills on the digital data collection, follow up on officers of the women and children protection unit assigned at the five One stop clinics to make sure they are taking the cases and delivering them to the relevant police stations or depots for onward investigation. Conducted Focus Group Discussions with fifty male (perpetrators) the result of the quantitative data.

2016	Liberia	<i>Development co-operation project to enhance LNP capacity in the area of basic crime investigations, crime scene investigation, sexual and gender-based violence (SGBV) and the cooperation between the police and prosecution authorities in Liberia” 2016</i>	Swedish Police
------	---------	--	----------------

CART oversaw the data collection of the Development Co-operation Project. We recruited 18 enumerators 6 supervisors, and a coordinator for the Swedish Police project in 6 of the Swedish government supported police stations around Monrovia, Montserrado County. CART carried out the data collection, data entry, cleaning, analysis and report writing for a period of three months, from August to November 2016.

2016	Liberia	InterMedia/ LSA/USAID Health Facility Capacity Assessment (FARA 1.0) project	LSA
------	---------	---	-----

CART oversaw the data collection of the Arm Conflict and Maternal Health (ACMH) project. CART hired and trained 6 enumerators, and 2 supervisors, and a Data Coordinator. We implemented the Essex University project in West Point and Peace Island conducting both quantitative and qualitative (Focus Group Discussion) interview from July to September 2015.

2015	Liberia	<i>Emory University Study on Education, Security and Health in Grand Kru County</i>	Emory University
------	---------	--	------------------

CART provided oversight along with its partner, and trained 6 enumerators, recruited 4 police officers of the Liberia National Police for confidence patrol, and a Project Coordinator to conduct survey and awareness in Grand Kru County for the Project. CART visited 25 Villages in Grand Kru county during this project for the period of three months.
